HAIR RENEWER This standard article is sompounded with the Its effects are as wonderful and estisfactory as It restores gray or faded hair to its youthful

color.

It removes all eruptions, stehing and dandrud, and the scalp by its use becomes white and decan. By its tonic properties it restores the capillary giancle to their normal viger, preventing hald ness, and making the hair grow thick and strong. As a dressing nothing has been found so effectual, or desirable.

Dr. A. E. Hayes, sitate Assayer of Massachusetts, says of it: "I consider it the best preparation for its intended purposes." Buckingham's Dye,

This elegant preparation may be relied on to change the color of the heard from gray or any other undesirable shade, to brown or black, as discretion. It is easily applied, being in one preparation, and quickly and effectually produces a permanent color which will neither raw hos
